

QUALITY POLICY

Perkal Pty Ltd is committed to providing products and services that satisfy its customers needs for quality, performance and safety. We are seeking to improve our high level of quality, performance and safety through a process of continuous improvement which will include:

- Constantly striving to better understand and satisfy the needs and expectations of our customers.
- Continuously seeking improvements in our processes and services through evaluation of our performance.
- Training and encouragement of our employees to seek improvement.
- Ensuring that our suppliers provide products and services meeting specified quality standards.
- Maintaining the highest standards of business conduct, environmental protection and employee safety.

Quality and continuous improvements in all aspects of our business are fundamental to the continued competitiveness and well being of our company.
